

## COMMUNITY PROGRAM BADGE SYSTEM OUTLINE

The Fencing Calgary Badge System consists of 7 badges - ranging from beginner to more advanced levels

**The purpose of the Badge System is to guide Fencers through a progression of all the knowledge, skills and attributes required to be an active participant in the sport**

LEARN (WHITE) & PRACTICE (YELLOW) Program levels are earned by completing the duration of one 6 week session

The subsequent 5 badges (BADGE level), which is Orange Badge + are awarded by the Fencers Coach when experience and skills are achieved for that level. We recommend Fencing twice per week at this level.

***Learn to PLAY the FENCING Way!!***
